## DIABETES IN THE LIMELIGHT JAMBOREE PRIMARY SCHOOL CHILDREN POSTER COMPETITION (2011) RESULTS

The Bovell Cancer Diabetes Foundation and the Division of Education, Youth Affairs and Sport are pleased to announce the winners of our Primary School Children Poster Competition (see winners below). Congratulations to all the children who created posters to help raise awareness about the seriousness of diabetes and its complications, and the importance of diabetes prevention! The posters were particularly impressive because they communicated important messages, which reflected some aspect of diabetes prevention. For their outstanding contribution, the children won prize money, while some schools procured challenge trophies. Our next poster competition is in **November, 2012**. Get ready; you may be among the next winners.
