Poster Competition on Diabetes Education & Prevention

The Bovell Cancer Diabetes Foundation (BCDF) is sponsoring its fourth island-wide poster competition among primary school students to help raise awareness about diabetes prevention.

Create a poster to WIN prize money, and help PREVENT diabetes!

- Diabetes is a chronic disease that arises when the pancreas does not produce enough insulin, or when the body cannot effectively use the insulin it produces
- At present there is no cure for diabetes
- Entries are accepted until 31st October, 2012

This competition is open to all primary school children between the ages of 6 and 15 years
